COUNTRIES TO EXPERIENCE U.S. EDUCATION & CULTURE

The Global Undergraduate Exchange Program (Global UGRAD) is a fully funded academic and cultural exchange program designed to increase participants' knowledge and global connectivity. Global UGRAD participants come from 60+ countries and study for a semester at universities across the United States. After the program, participants are higher-achieving students, stronger leaders, and more actively engaged in their communities.

They also receive access to grants and professional development resources available only to alumni of U.S. Department of State exchange programs.

Undergraduate students from all fields of study are encouraged to apply. The program is open to all, regardless of gender, religion, sexual orientation, or disability.
